Established by the famed Sarkies Brothers in 1885, the Eastern & Oriental Hotel (E&O) is a luxurious 222 all-suite hotel renowned for its authentic Old World charm and traditions of comfort and service. It is the only hotel in the heart of the George Town UNESCO World Heritage Site that possesses prime sea frontage.

The Heritage Wing houses 100 elegant and expansive suites that retained its unique colonial charm whilst offering modern comforts with round-the-clock butler service.

The Victory Annexe is the hotel's new wing that was unveiled in 2013, featuring 122 classically appointed, sea-fronting suites. It also houses Pañpuri Organic Spa, an award-winning Thai spa that utilises only natural and organic ingredients while offering a broad range of authentic treatment from across Asia by trained therapists.

The Hotel's restaurants and bar - Sarkies, 1885 and Farquhar Bar - have a celebrated reputation for serving an extensive menu ranging from Penang, local delicacies to European fine dining.
