PHILATELISTS can look forward to adding new stamps to their collection. The E&O recently launched commemorative stamps to mark its 130th anniversary.

Jointly created with Pos Malaysia, the special edition stamps are on sale at RM30 per sheet in 30 sen denomination at the hotel's Bombay Shop.

E&O Berhad group hospitality and lifestyle director Michael Saxon, who launched the stamps, said the hotel, founded in 1885, is one of the remaining icons from Penang's colonial era.

"These stamps are one of the commemorative souvenirs we have specially designed to celebrate our 130th anniversary," he said, adding that they are a great addition to any collector's album.
