Herbal Soup

I personally like the taste of the herbal soup. A blend of different herbs gives such nice flavour to the broth and with your steamboat items added in, perfect.

Not forgetting meat section such as sliced beef, lamb, chicken and even duck. There is also fresh eggs and quails egg too.

Mix all the awesome ingredients in and you have a pot of delicious steamboat to enjoy away with sauces such as homemade special chili sauce, coriander oyster garlic sauce, white radish spicy sauce and many other.

Of course, nothing like ending the meal with some sweet treats such as Festive Cookies,

Mango Puding, Semolina Almond Cake, Egg Tart, Chinese Tea Chiffon Cake, among others.

Chinese Tea Chiffon Cake was quite light and fluffy.

The Egg Tart was rather unique with the top crust being a little crispy unlike the normal egg

tarts that you find.

There will also be complimentary Chinese Tea made available.
