Every Christmas buffet signature dish definitely is Turkey and here you go, the awesome Turkey with chestnut stuffing and served with cranberry sauce. If you are interested with the Roasted Tom Turkey, you may order one from hotel for just RM490nett. Other than Turkey, Beef Prime Roast are served together with oven roasted medley of root vegetable, brussel sprouts, creamy cinnamon sweet

While on cold cut section, beetroot marinated salmon, sesame coated tuna, assorted crunchy [salad](#), dressing and condiments and many more. The beetroot salmon is something special that we never try before, it has crunchy texture with fresh salmon taste. Sesame Coated Tuna is another delicious dish, the tuna is perfectly seal to texture and cover with black and white sesame to give it a boost of flavor.

Fresh Salmon

Assorted [Sushi](#), Maki Rolls and California Rolls.

Whole lot of fresh [seafood](#) on ice such as mussels, prawn, yabbies, crayfish, spanner crab and oyster.

While on hot dishes section, my favorite will be Braised Lamb Shank which are perfectly cook to tender texture and the sauce which has tomato based taste really good. Roasted Chicken Breast fill with seafood mousseline with crustacean butter are my second favorite, chicken breast very juicy and the filling making it taste good. Surprisingly the Yong Chow [Fried Rice](#) taste real good and i took a big plate of it. Other than that there is Seared Snapper, Asam King Prawn, Braised Bok Choy...etc.
