Chinese New Year Steamboat Buffet @ Sarkies Corner, Eastern & Oriental Hotel Penang

It's the time of the year we all plan for our [family gathering](#), friends outing and all sorts of [get-together](#) events for [Chinese](#) New Year!

It is also the time where people from all over the states and countries came back home to celebrate this [special occasion](#).

To usher in the year of Earth Dog, the grand dame Eastern & Oriental Hotel Penang is now promoting their traditional steamboat cuisine for Penangites to enjoy their favorite food apart from the lavish buffet that they normally serve.

Chinese New Year Steamboat Buffet Dinner is [available](#) for only 3 days(15, 16 and 17 February) at the Sarkies Corner offering range of premium ingredients such as crab, prawns, salmon, shellfishes and many more.

There are 3 types of broth selections(Chicken, Herbal or Tom Yum) that cater to different demands. People who prefer spicy hotpot can go for the Tom Yum broth or I would really recommend the herbal soup that is very flavourful and slurping good.

Since the steamboat in E&O Hotel is a buffet style steamboat, there are many dishes provided for you to mix them all into your hotpot, selections are vary from vegetables, meats, seafood and many more.

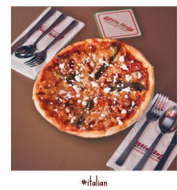

There are also canned seafood that we usually buy for hotpot at home, as well as dumplings, fish balls, meatballs and many more.

What's best about having steamboat buffet at the E&O Hotel?

You get to eat all the premium ingredients such as salmon, meat crab, sea cucumber, big prawns and other seafood stuff as much as you want at one pricing!

Just throw everything into the hotpot and enjoy it with your friends and family! They just keep refilling the empty plates! They are [all fresh](#) and juicy!

No problem because they also serve beef slices, lamb slices and chicken meats for you!

Mouthwatering desserts are also included, there are cakes, tarts and pudding. Limited selection for desserts but I'm sure you don't really have space for that after hotpot dinner.
