Start off with a nice mix of ulam.

E&O hotel communications and public relations manager Ms Eileen Chong said the perennial Malay salad, ulam, to be complemented with different types of sambal and sauces, is the perfect starter to a sumptuous meal for breaking fast. " Our Ramadan buffet with its array of kampung dishes would be perfect for hotel guests, especially foreigners, to sample a taste of Malaysia's rich culture. Not only will they learn about the dishes but the significance of buka puasa. After all, the best way to learn a culture is to explore its culinary expressions," she added.

Say cheese :) When I more than happy when I spot either a Camembert or Brie.

Just beside it is where you get to enjoy some Japanese fare like sushi and sashimi too.

Seafood lovers would so be happy to spot the various seafood served at the seafood on ice corner. Enjoy items like poached prawns, green and black mussels, spanner crab and mud crab. It taste good when it's fresh.

It's hard to say no to the nicely prepared Shawarma.

Bite into the crunchiness of assorted deep fried items like money bag, spring roll, fish cracker and many more.

E&O Roasted Duck with special duck sauce. The tenderness and fragrant aroma of the roasted duck is always so welcoming.

Off to the main dishes which continues to please the palate. The whole row of chaffing dish contains cuisine that has different style of cooking and each has it's own unique taste to it.

From seafood items to chicken to beef. Everything looks so tempting.

Briyani Rice

Cooked to perfection. A little bit of this and that, eaten together with the Briyani rice and goodness in every bite.

Love pasta? Then do not miss out ordering a serving or 2 at the pasta station. My favourite has got to be the carbonara.

While at the action stall corner, enjoy nicely grilled satay with peanuty sauce, roast lamb, grilled fish and many more.

Over at the other corner, some hearty warm items awaits you. Warm porridge, noodle soup, laksa, and many more.

There nothing like ending the meal with all these mouth-watering sweet treats. From cakes to pastries, with different presentation. Everything created is just wonderfully yumme...

Spot the chocolate fountain. That where even adults turn into kids once again haha..

All these wonderful food is all set to please your tummy and palate when you dine at Sarkies.
So make a date and head over with family and friends.

Thanking E&O Hotel Penang for hosting.
