Eastern & Oriental Hotel Penang - International Buffet Dinner

Like 0

Eastern & Oriental Hotel never fails to surprise diners with the wide array of scrumptious buffet spread it has to offer. From international fare to local flavours, from seafood to meat, there just so many choices for you to pick from.

It was certainly good to be back again for their on-going International Buffet Dinner that is just jaw dropping. A walk in to the restaurant and the temptation just kicks in instantly.

Here is a look at what they have on the buffet line for you to enjoy :)

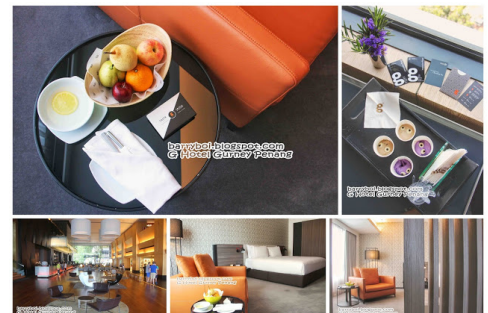

Starting off with some of the premix salads and garden greens, condiments and dressing to kick start the meal with.

Some hearty soup to warm the tummy. There are usually 2 choices of soup for you to enjoy.

Now this section is where most diners would head to first. The seafood on ice is the favourite part of many. Enjoy the popular seafood items like oysters, prawns, black mussels, crayfish and many more.

So happy to spot my favourite camembert cheese.

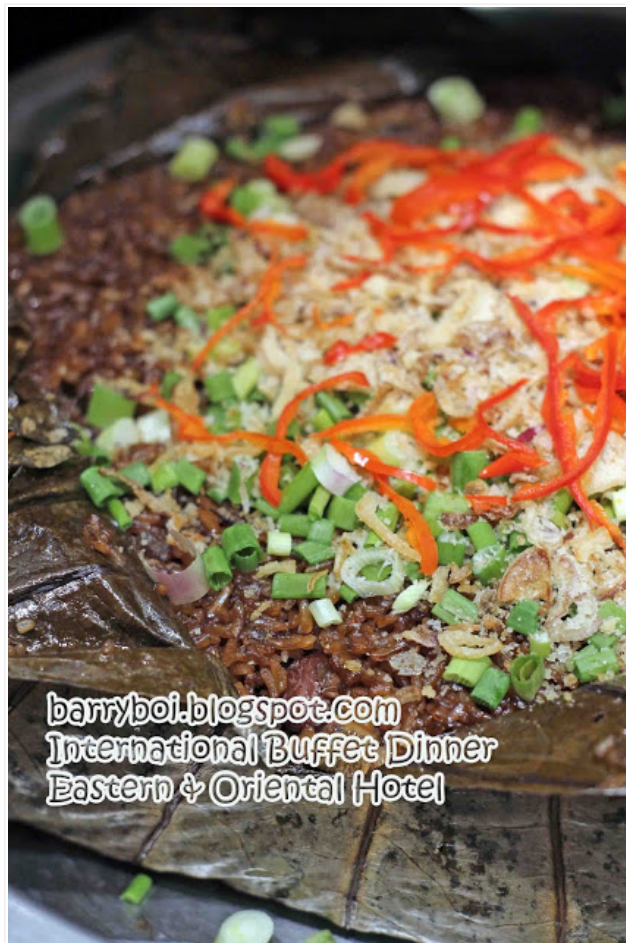

While on the hot dish section, that's where you will find your rice dish, chicken, fish, lamb, beef, tofu among others. Ranging from different style of cooking for you to enjoy.

While at the action stall station, heaps of food awaits you too. From local favourites such as satay to grilled meat and seafood too. When the eyes is bigger than the stomach haha..

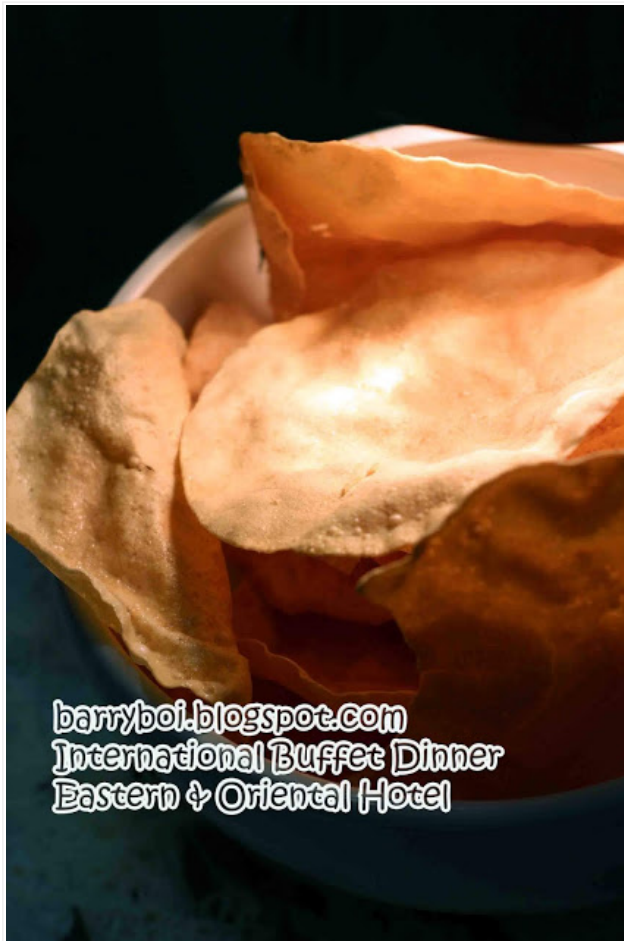

Roast chicken, beef and lamb.

Grab some tasty bites like papadom, samosa and onion rings.

This baked fish surely looks tempting.

The roasted duck is a favourite hit among the diners too. With the fragrant sauce. Yumz.

No better way to end the meal with a all the irresistible sweet treats.

There's also icy cold treats like ice kacang and chendol. Oh cravings!

Now isn't that a massive spread? Heaps of food to enjoy away. The biggest headache would be, where to start at? haha..

Thanking Eastern & Oriental Hotel Penang for hosting.
