It was one raining evening when we visited Christmas Buffet preview session in E&O Hotel. As a side note, the old wing will be undergoing major renovation next year from March to December 2019. If you are planning to visit the 5-star hotel, be it for an overnight stay or dinner, now is the best time.

During Christmas and New Year, the buffets offered are basically an international buffet with cold buffet section, fresh seafood on ice, cold action section, cheese and condiments, carvery, hot dishes, and desserts. Among them, “fresh seafood on ice” and “cold action section” are not to be missed with seafood in which anything fresher you have to catch it yourself.

Having few slices of salmon sahimi, few pieces of oyster with salsa and poached prawns, we were predominantly contented but if you don't mind of getting your hand dirty, go for **snow crab** and **spanner crab**.

As a whole, we were impressed with E&O carvery including roast turkey with cranberry sauce, prime roast beef with thyme jus, and slow roasted lamb should with spinach and sundried tomatoes, fresh herbs & mint sauce. The lamb, for instance, was tender like it almost melted in your mouth effortlessly.
