Relax in the evenings over the scrumptious assortment of tapas and wines.

EVENINGS can be blissful when there are tasty bites, fine wines and splendid waterfront views for company.

Available from 6pm to 9pm daily, it is ideal for those seeking to unwind amidst refined surroundings, or to tide the appetite over until dinner.

Amongst the tapas menu are gems like Spiced Crab Cakes with Remoulade and Garlic Scented Tiger Prawns which will likely have one going back for more.

Green Shell Mussels au Gratin with Tomato Salsa, and Crispy Tempura Fish Fingers with Wasabi Dressing are the other seafood-based options.

From land are the succulent Meat Balls with Garlic Toast, Butter Glazed Cocktail Sausages, Tortilla de Patatas, and Roma Tomato and Basil Bruschetta on Garlic Scented Rye.

The Sweet Potato Fries with Truffle Oil is highly addictive, as is the Emmental Cheese Croquette with Apricot Chutney.

Malaysian Chicken Satay is definitely worth a try.

Marinated Olive and Feta, as well as Edamame with Rock Salt, complete the list.

Equally integral to the experience are the wines, of which there are over a dozen well-curated red, rose and white varieties.

There are labels from Australia, Austria, Chile, France and New Zealand.

Unsure which would pair well with the tapas you ordered? Just ask the staff for recommendations.

One can also live it up with the delightful fruity effervesce of Moet et Chandon Brut Imperial or Andreola Verv Prosecco.

The Poolside Terrace is located on Level 6 of the Victory Annexe, affording guests splendid views of the Penang Channel amidst the gentle echoes of lapping water.

What's even more delightful is seeing soft blue skies transitioning to bright orange during the sunset hours, weather permitting.

With some tapas and wine in hand, one can certainly enjoy the good life, if only for the evening.
