For all the 3 options roast, I still prefer beef. The doneness of the meat is medium rare, which to a lot of people it is too “bloody”. However, for me this is the way to preserve the juiciness and the taste of the beef.

Overall, I find it this is the best way to relax and pamper myself after a hectic week. This is the ideal way to spend quality time with family and friends where you can take your time to slow down and enjoy a sumptuous meal in a relaxing environment.
