With the on-going refurbishment of the Heritage Wing and 1885 Restaurant, Eastern & Oriental Hotel (E&O) now offers dining, drinking and lounging at both the Planters Lounge and Poolside Terrace on the 6th floor of Victory Annexe. Expect to find dining options, from Sunday Roast and English Afternoon Tea at Planters Lounge, and Dinner By The Pool at Poolside Terrace.

About C.K. Lam

The Dinner By The Pool experience at Poolside Terrace is best described as a four-course meal by the infinity pool, and one with a lovely view of the Andaman Sea. The restaurant carries through the open and airy feel of its surroundings, with its high ceiling.

The four-course menu is available for dinner at RM230.85 nett per pax and can be paired with wine which is listed by the glass or bottle. Let the taste buds explore the gourmet salad, soup of the day, and dessert of the day, followed by a choice of mains – pan-seared salmon loin or grain fed beef fillet mignon.

The gourmet salad with a play of colors, texture, and flavors is created with the freshness of greens, and a mix of capsicum, zucchini and baby tomatoes.

Armed with a camera and a huge appetite, this writer and columnists has been combing for the best gastronomical delights besides promoting Penang cuisines, culture and heritage since 2007. The articles are read both in print and online.

Gourmet Salad

The salad herald in the creamy mushroom soup, followed by the main course. The pan-seared salmon loin is served with arugula leaves, shellfish oil, garden greens and with a tomato salsa providing a zesty sharp burst.

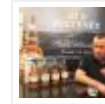

For those who prefer something heavier, grain fed beef fillet mignon is also available, served with creaminess of fondant potato, enoki tempura, and ginger soy glaze. A dessert of the day completes the menu.
