Vegetarian menu: Crispy Tortilla Chips served with guacamole (RM 15)

The Spicy Garlic Prawn and the Marinated Air-dried Beef are the highlights from the menu for us, most probably we love the tingling spicy excitement from the chili used in the seasoning. Best enjoy them with toast to enjoy different dimension of texture while the sauce infused into the toast. Besides prawn and beef, cocktail potato can be another option if you love red chili as much as we do too.

The fun goes on by savouring Asian flavours with wine by opting for Tuna Tarta. came in the cute Nyonya Pie Tee that filled with tuna cube and seasoned with wasabi sour cream. The cute bite size just make this dish addictive.

If you are a vegetarian, Planters Lounge got your covered with the local favourites, Samosa and Vegetables Spring Rolls. Rich bursting flavours within the crispy golden skin. Lastly, Crispy Tortilla Chips that served with their special guacamole.

Bruschetta Platter (RM 50)

Bruschetta Platter, this valuable set that let you taste all 5 tapas menu at once. It came with creamy saute mixed mushroom that made a great pair with their garlic toast bread, Bresaola, smoked salmon, marinated green olive and guacamole with tortilla chips.
