E&O Hotel Heritage Wing Relaunch & Christmas Tree Lighting Ceremony

Eastern and Oriental (E&O) Hotel has officially announced the re-opening of its **Heritage Wing** after an extensive refurbishment exercise which began in March 2019!

The refurbishment sees the heritage wing maintaining its historical grandeur and continued its legacy as the only seafront hotel in the George Town UNESCO World Heritage Site, while guests are able to enjoy greater experience in both hospitality and food segments.

Farquhar's Bar mainly serves bar staples and classic cocktails with a view of Penang island's waterfront. We loved the leather sofa and stool that gave the bar a classic Gentleman design.

Looking closely, Farquhar's Bar offers the slight view of scenes in Kingsman the movie.
