Since the beginning of national's MCO (Movement Control Order) to cope with COVID19, E&O Hotel has changed the way buffet is served and this upcoming Christmas is no exception. Instead of self-service, a clean menu will be provided on each table, allowing guests to place orders based on it.

One feedback about “Unlimited A La Carte Dinner” is that, it actually saved a lot of food wastage. From our experience, waiters and waitresses are quite responsive to our request and delivery speed is acceptable. In rare cases, they may miss our order especially during peak hour and we have to remind them again.
